**19.03.2024 , 4AM EST (New York)**  
**19.03.2024 , 8PM AEDT (Sydney)**

Topic:

**“How can the determination of therapy relevant tumor cell characteristics be used to support cancer therapy?”**

We would like to invite you to join the upcoming **international maintrac Online Forum**. During the forum we will show how and when the determination of **therapy-relevant tumor cell properties** with **maintrac** can be used in cancer therapy.

Discuss specific cases raised by the audience with Prof. Pachmann. Feel free to ask further questions and discuss them with your peers.

You will find the link for the forum two weeks in advance on our website under the Events tab. You will also receive it by e-mail, if you are already on our mailing list.

If you have any questions, please contact us by phone + 49 921 73 00 52 10 or by e-mail [mail@simfo.de](mailto:mail@simfo.de)

**We look forward to your participation!**
